Product Description			

The price per foot width of stand is unchanged since 2016 at £10.00 plus VAT (£12.00 total) Unless otherwise arranged, the stand depth is 9 ft maximum.

Tables & Electricity

As some traders need tables to be provided, whereas others are fully self-sufficient, it seems fair to pass on the cost we incur hiring the tables to those using them. We can supply wooden trestle tables measuring approximately 6ft x 2ft (1.8m x 0.6m) for £6.00 plus VAT (£7.20) each. Please indicate the number of tables desired & if a specific layout is desired, please include a sketch. There is no charge for the use of chairs.

Electricity is available for a nominal charge of £12.50 + VAT (£15.00) Unfortunately we have to make this charge to cover the charges made by the venue.

Advertising.

Once again we will produce an A5 full colour show guide booklet, given free to all visitors. This will have a floor plan showing where everyone is, as well as details of the show, the

competitions etc. Basic contact information will be included in the guide, additional advertising space is also available for a nominal charge.

To help promote the event we will be producing some A5 size, full colour, glossy print flyers. If you would like some of these (free of charge) to send out to your customers, just let us know how many you would like.
